

OAD 137: Computerized Financial Recordkeeping

This course is designed to provide the student with skill in using the microcomputer to enter financial data through classroom instruction and outside lab. Emphasis is on the use of appropriate software in the preparation of journals, financial statements, and selected payroll records. Upon completion, the student should be able to demonstrate the ability to use a microcomputer system to record financial data. Students must complete this course with at least a "C" average.

Credits: 3

Prerequisites:

BUS 241 or permission of instructor.
