

# Telephones and Messages

College telephones may be used by students only in emergency situations. The College will accept messages for students in case of emergencies such as family illness, accident, or death. In such instances, every effort will be made to locate the student.

In the interest of respect for faculty and fellow students, in order to facilitate learning, students should set their cell phones to 'off,' 'silent,' or 'vibrate' while in class or in the College Library. In addition, a student may not receive cell phone calls while in class or in the College Library unless the student is an active-duty public service officer (fire, police, EMT), or provides the College (in advance) with documentation of a disability for which they need a cell phone.
