

# Adult Education

The Adult Education Program provides a career pathway to adults who wish to earn their GED or high school diploma, obtain their Career Readiness Certificate, and acquire the basic skills necessary to gain employment and enter post-secondary education. The program offers career pathways, co-enrollment in some technical programs, digital literacy instruction, employment skills, and preparation for the GED, WorkKeys, and BAT tests. Adult Education classes are offered day, night, and online in various locations throughout Dallas, Lowndes, Perry, Sumter, Hale, Greene, and Marengo counties. Students must attend orientation. For more information, call (334) 876-9369.
